#### 5. STATEMENT OF CLAIM

For your information, the following is a list of some of the most frequently raised grounds for relief in proceedings under 42 U.S.C. § 1983. (This list does not include all possible claims.)

- Religion
- Access to the Courts
- False Arrest
- Free SpeechDue Process
- ✓ Excessive Force
- Equal Protection
- Failure to Protect
- · Search & Seizure
- Malicious Prosecution
- Denial of Medical Treatment
- Right to Counsel

Please note that it is not enough to just list the ground(s) for your action. You must include a statement of the facts which you believe support each of your claims. In other words, tell the story of what happened to you but do not use legal jargon.

Fed.R.Civ.P. 8(a) states that a pleading must contain "a short and plain statement of the claim showing that the pleader is entitled to relief." "The function of pleadings under the Federal Rules is to give fair notice of the claim asserted. Fair notice is that which will enable the adverse party to answer and prepare for trial, allow the application of res judicata, and identify the nature of the case so it may be assigned the proper form of trial." Simmons v. Abruzzo, 49 F.3d 83, 86 (2d Cir. 1995). Fed.R.Civ.P. 10(b) states that "[a]ll averments of claim ... shall be made in numbered paragraphs, the contents of each of which shall be limited as far a practicable to a single set of circumstances."

#### **Exhaustion of Administrative Remedies**

Note that according to 42 U.S.C. § 1997e(a), "[n]o action shall be brought with respect to prison conditions under section 1983 of this title, or any other Federal law, by a prison er confined in any jail, prison, or other correctional facility until such administrative remedies as are available are exhausted."

You must <u>provide information</u> about the extent of your efforts to grieve, appeal, or otherwise exhaust your administrative remedies, and you must <u>attach copies</u> of any decisions or other documents which indicate that you have exhausted your remedies for <u>each</u> claim you assert in this action.
